

This is to certify that Ms. Neetu Yadav works as a Physiotherapist in our association (Jharkhand State Tennis Cricket Association) since 15th October 2016 to date. During this time, she is a valuable member of our association.

During her tenure at our association, she remains involved in a lot of community work for patients recovering from illnesses, injuries, and accidents. She has a set array of patients who prefer to be treated by her and provides much commendation for her to management of the clinic.

At our association, she is responsible for the following duties, which she carries out with absolute exactitude and by following a set code of Physiotherapy ethics:

- Develop treatment plans for patients suffering from physical illnesses and injuries.
- Assist patients in rehabilitation after assessing and analyzing individual patients.
- Ensure the efficacy of physiotherapy programs by changing them according to observations.
- Treat patients using a variety of exercise programs along with electrotherapy and mobilization.
- Ensure that all physiotherapy activities are overseen by employing supervisory duties.
- Discuss illnesses and injuries with patients and play an active role in educating them.

Sports Injury Rehabilitation helps athletes effectively treat pain and return to normal function.

Organize, manipulate, massage, and cryotherapy at sessions.

As part of the Physical Manipulation Program of our association, Ms. Neetu Yadav proves to be a cut above her peers by introducing hydrotherapy and acupressure techniques for patients suffering from rheumatoid arthritis.
